Report on quiz competition

Data: Saturday, 26th July 2025

Organized by: Electrical Department (Degree)

Introduction

The Electrical Department (Degree) of Yashwantrao Bhonsale Institute of Technology, Sawantwadi, organized a Quiz Competition on 26th July 2025 to foster a competitive spirit and enhance the general and technical knowledge of students. The main objective of the event was to encourage intellectual engagement, critical thinking, and collaboration among students through a healthy academic activity.

The event was graced by the presence of esteemed dignitaries including Prof. Suraj Acharekar, Head of the Electrical Department; Prof. Swapneel Rawool, Head of the Mechanical Department; Prof. Shreepad Prabhu; and Prof. Harshal Pawar, HOD of Electrical Department (Diploma), along with all the faculty members of the Electrical Department. A large number students of all department are participated with great enthusiasm.

Key Topics Covered

The program commenced with the traditional lamp lighting ceremony, symbolizing the light of knowledge and wisdom. This was followed by the felicitation of all the dignitaries and faculty members with floral bouquets as a gesture of respect and gratitude.

The Quiz Competition consisted of three carefully curated rounds:

- First Round – This round tested the students' awareness of current affairs and general knowledge.

- Second Round – Questions related to core Electrical and Electronics concepts were asked to test the technical understanding of the participants.

- Rapid Fire Round – A fast-paced round designed to assess quick thinking, accuracy, and time management under pressure.

Students showcased excellent teamwork, sharp thinking, and confidence throughout the competition. Their active participation and competitiveness brought an energetic atmosphere to the event. At the end of the third round, the winners were declared based on their overall performance. Trophies and certificates were awarded to them as a token of recognition and appreciation. The winners also took the opportunity to share their experiences and learning outcomes, expressing gratitude for the platform provided to them.

Conclusion

The program concluded with inspiring speeches from Prof. Suraj Acharekar, HOD of Electrical Department, and Prof. Shreepad Prabhu, who congratulated all the participants and appreciated the organizing team for their effort and coordination. They encouraged students to continue participating in such academic and extracurricular activities for their holistic development.

With the cooperation of all faculty members, students, and dignitaries, the event was conducted smoothly and successfully. The quiz competition not only served as a knowledge-sharing platform but also strengthened the bond among students and faculty, leaving a lasting impression on everyone present.
