Report Of the Engineer's Day celebrations on 15 Sept 2024

Yashwantrao Bhonsale Institute of Technology celebrated Engineer's Day commemorating the birth anniversary of Sir M. Visvesvaraya on September 15, 2024

Summary:

The event began with traditional lamp lighting and garlanding of Sir M. Visvesvaraya portrait by Principal Dr. R. R. Bane, Vice Principal Mr G A Bhosale, Prof Prashant Kate -HOD computer dept. And other respected HOD's. and faculty.

National Engineer's Day is celebrated every year on September 15 to honor the birth anniversary of Mokshagundam Visvesvaraya, a distinguished statesman and former Diwan of the Mysore kingdom, who made pivotal contributions to engineering. He played an important role in shaping modern India through his innovative projects and vision for infrastructure development. Among his most notable achievements are the construction of the Krishna Raja Sagara Dam in Mysore, which revolutionised irrigation in the region, the development of the Deccan Plateau irrigation system, and designing a flood protection system for the city of Hyderabad.

This years Engineers Day 2024, celebrated on September 15th, will focus on the theme "Innovating for a Sustainable Future". This theme highlights the crucial role engineers play in developing solutions that address current challenges while paving the way for a sustainable future.

The event concluded with distribution of sweets to all members present.
